

Regulation on RCN Forums

This regulation sets out the purpose of RCN Forums and the process for any changes.

-

RCN Forums

- provide a focus for members to participate in professional activities.
- provide a focus for RCN activity within specialist areas of interest.
- provide a structure within the RCN for those specialist areas of interest and their associated accountability.
- encourage all nursing staff engaged in the forum's specialist area of interest to join the RCN, and to become engaged, involved and active.
- provide a t a d e a f s l ¢

- Regulation updated December 2023, to reflect change from Nursing Practice and Policy Committee to Professional Nursing Committee.
- Regulation updated July 2024 to enable the Professional Nursing Committee to approve the establishment of RCN Forums, Forum name changes, the dissolution of Forums and the merging of one Forum with another where appropriate.
