**II** The university wants us to pay for our own travel to and from placements and then claim what we're owed back. Before I could do that I had download a 15-page eligibility form. Even with getting the cheapest form of travel I'm still waiting for £350 to come back to me. I've waited six weeks and heard nothing. All the £3.20 bus fares add up. They seem to make it hard for people to get back the money they're entitled to. ||
